Foreword

As the school year comes to a close, we pause to catch a final glimpse of our Alma Mater. The halls, once scenes of activity and confusion, are now silent and unoccupied. All that remain are memories.

Through this annual we, the members of the staff, hope to recapture and relive some experiences with you - To you, our fellow students of the 1961-62 school year, we dedicate this book of memories.

Mr. Bob Lawrence, Executive Secretary of the Bureau for Economic Understanding, expresses the importance of our American Heritage to the Student Seminar.

Students from 13 schools listen to Dr. Held, Dean of Howard Payne College, as he addresses them at the Student Seminar.

Carol Northington, District President, opens the District I Meeting held in Lampasas. Behind her are the other District officers and stage guests.

Sgt. Schlichter speaks to the Cen-Tex Study Group. He stresses the fact that the future of America is in the hands of young people; that because of this, we must learn to protect our heritage.

Mrs. Read Dawson, Chairman of the 1961 District X Workshop, Texas Joint English Committee for Schools and Colleges, presides at a sectional meeting, which met in our school.

F.F.A. Area Sweetheart - Suzanne Jones

Suzanne was elected sweetheart of the Lampasas F.F.A. Chapter October 5, 1960. This proved to be only one of many beauty contests which Suzanne was to win during her reign as sweetheart of the local chapter.

She was elected sweetheart of the San Saba District F.F.A. and at the Area VII F.F.A. Convention in San Marcos. She was elected sweetheart of the Area. This honor made Suzanne one of ten Area F.F.A. sweethearts in the State of Texas. She represented Area VII at the State F.F.A. Convention in Dallas.

Linda Renick, winner of the "Make It With Wool" contest, models her dress before other entrants.

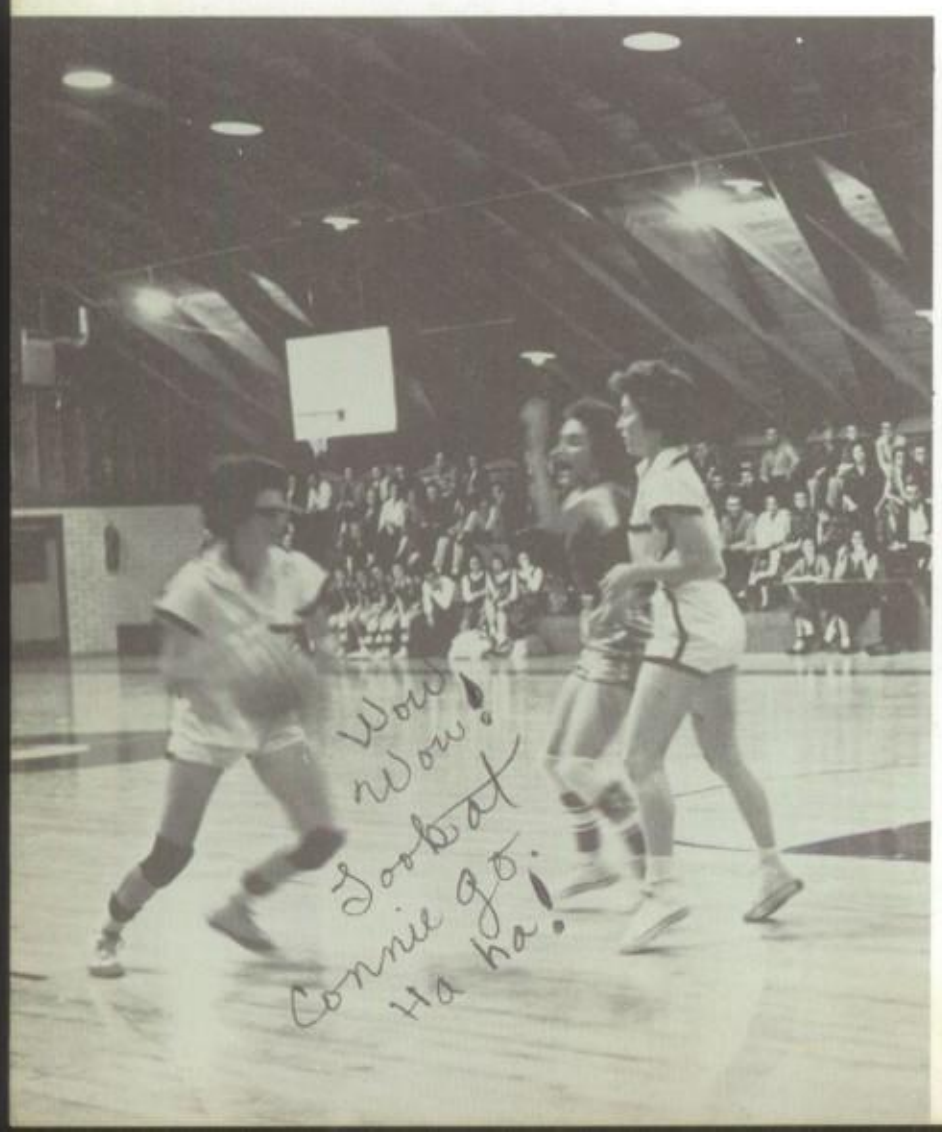
Mrs. Callahan displays the tachistoscope used in the speed reading course.

Casbeer, Simon, and Bush display the trophies they received for outstanding performance on the Badger "A" team. Phillips, Johnston, Bellamy, and Bramer won honors for the "B" team.

The seniors get settled and prepare for the speed reading course.

The "moms" watch as their sons play basketball. Shown from left to right: Mrs. Gossett, Mrs. Briggs, Mrs. Bumpus, Mrs. Snow, Mrs. Pritchett, Mrs. Williams, Mrs. Perry, Mrs. Fowler, Mrs. Patterson, Mrs. Brister, Mrs. Brown, Mrs. Leach (Coach Leach's mother).

Coach Leach gives a watch to Mr. Smith for his fine service to the school and students. Mr. Smith is always available and ready to help with any problems that the students or faculty may have.



Connie Snow and Kay Scofield show the speed and ability of the Badgerettes as they successfully keep the ball from a Hamilton guard.

"Dads" watching their daughters play against Brady are Messrs. Clifton, Goodwin, Scott, Doggett, Crumley, Haedge, Walker, Bridges, Chambers, Scofield, and Snow.

Guests of honor at the Lampasas vs. San Saba football game were Alicia Gillen, Football Queen, and her attendants, Martha Tumlinsin and Doris Wilson. Also Suzanne Ballew, Band Sweetheart, and her attendant, Mary Dumas.

"I lost my eyeball!" has become a well-known cry since the boys began wearing contact lenses. Both Brady and Lampasas players join in the search for the tiny piece of glass lost by Jimmy Williams.

These twenty-one Senior girls gave a dance on December 30. The Oriental decorations at the dance carried out beautifully the theme, SAYONARA.

"The best yet," exclaim the Seniors as they proudly display the newly arrived Senior rings.

President Suzanne Ballew presides at the installation service of the Quill and Scroll and Press Clubs at their annual banquet at the home of Gavin Garrett.

Glenda Blackwell, Linda Doggett, Virginia Hutchins, and Douglas Hill are members of the Regional Chorus this year. Dianne Williams and Ronnie Barrett made All-State Choir.

The 1961-1962 members of the National Honor Society being initiated.

Tommy Casbeer and Kaye Higgins - the local representatives to Boys' and Girls' State.

Supt. Ballew is talking with Mr. Kumabe of Tokyo, a Fullbright scholar studying the American way of life.

Mrs. Stephens gives typhoid booster to the "brave souls" who stop by.

Patrons of the school enjoy a chili supper given by the Kiwanis Club before the Brady-Lampasas Basketball game.

I sure nearly waited too long to write in
this thing so I guess I'll use the sky.
We've had lots of good times this year
and I'm sure we'll have more next
year. ~~You'll~~ Your first year in high
school probably was a lot more fun
than in school because you have to
always take orders from the upperclassmen
Next year we'll be the upperclassmen but
not quite so bad and I'm more I'm really
looking forward to it. Band trips won't be
the same next year without all you freshman
girls doing our hair, but the upperclass
men! Anyway we'll have a ball no
at band day if the stores are able to
after last year's trip. Greatest of luck to

Dear Mary Louise,

I'm not very good at writing in an annual because you can't say all you want to. But I do say you are the sweetest and cutest and very wonderful. You loads of fun. I hope we can be good friends again next year. I have enjoyed going to school with you. You are very understanding Mary Louise. And I hope you have all the luck in the world because you truely deserve it. I am behind you all the way. A very good friend

Mary Louise
